

CCYM CORNER

Hello everyone! CCYM wants to wish you all a happy Sunday and a Blessed Week! With the coming of the school year we're hoping to plan some exciting new things for the community!

EDGE Middle School Ministry

CCYM is in great need of a group of enthusiastic adult volunteers willing to give a couple hours of their Sunday afternoon to providing our middle school students with a great experience! With EDGE, a fantastic program designed specifically for middle school students, we have a great opportunity to provide all of our area middle school students with a fun and exciting way to get to know Christ better.

To do provide our students with this opportunity we need the help of our adult parishioners. If you feel the desire to serve and give back to the youth of our parish community please contact Alex Schmitz either by email at coordinator.ccym@gmail.com or call/text at (712) 357-5406. Thank You!

This conference will be held at Kuemper High School and it is open to any student in grades 7-12 who is interested in growing their faith with hundreds of other students just like them!
